#### Reasons Why Citizens Should Vote Against Republican State Ticket.

Numerous reasons can be given why voters should not cast their ballots for Col. Belknap in the coming election. The comparison of the administration of Governor Beckham with the administration of his two predecessors, W. S. Taylor and W. O. Bradley, show plainly why the people of the State should prefer Democratic rule rather than government by the Republicans.

Among the reasons why citizens should vote against Col. Belknap and the Republican State ticket are the following:

Kentucky stolen from Bryan in 1896. Bradley's administration extravagant and corrupt with scandals in public institutions.

The use of the military in Louisville, and of thin ballots in the mountains—the purpose of both being the defeat of the popular will and the debauching of the ballot box.

The calling out of the military under Bradley to overawe the Legislature and prevent the election of a United States Senator; and by Taylor to destroy the Legislature and prevent the election of a Governor.

The dispersal of the Legislature at the point of the bayonet, and its chasing through the streets of the State capital by armed soldiery.

The defiance of the courts by Taylor and his overthrow of the great writ of habeas corpus.

The thousands of desperadoes carried to Frankfort in disguise of soldiers.

The threats and plots of assassinating the Supreme Court, and the flight of that tribunal from Frankfort to escape death.

The conspiracy to kill enough members of the Legislature to give the Republicans a majority.

The bloody assassination of Governor Goebel.

The pardon of the accused assassins of Governor Goebel by Taylor.

The flight of Taylor and Finley to Indiana after their indictment for the assassination of Gov. Goebel.

The long and desperate fight made by Powers and Howard to escape the just consequences of the crime for which they have been indicted, and twice convicted—a fight made possible only by the voluntary financial contributions of Republicans all over the State.

GEN. CLAY'S WILL.—The five wills of the late Gen. Cassius M. Clay came up before the county court, at Richmond, this week, for probate. Judge Turpin listened to the arguments of the attorneys and then rejected all of the instruments, giving as the grounds for rejection that the testator had not during the past ten years been in a fit mental condition to properly devise his real and personal holdings. Colonel James Andrew Scott, counsel for Dora Clay Brock, took an appeal and will in the higher courts seek to have the will in favor of the child wife of the deceased filed in probate.

THERE has been a great howl made by the Republican papers regarding the pardons made by Gov. Beckham, when it should be known that he has granted fewer pardons than his predecessors. Figures from the executive journal show that Beckham pardoned 325 persons, Bradley 528, and Brown 476.

Governor Beckham has been criticised by partisan newspapers in Louisville and elsewhere in the State for an alleged abuse of the pardoning power. Federal officers and the Republican press had intended making their fight against Governor Beckham and the Democratic State Ticket on this ground.

However when the official figures showing the number of pardons issued by his predecessors, William O. Bradley and John Young Brown, were announced, the harangues of these politicians and newspapers were shown to be absolutely false.
